

## Our duty as citizens

The church celebrates Pentecost this year on 4th June; it is a culmination of the resurrection appearances and the Ascension: events which the disciples didn't expect to happen after that first Good Friday. It was the response to these events by the early disciples and the Christians that followed that has caused Christianity to spread throughout the world.

We are currently in a place where few of us expected to be at the beginning of the year - we are about to have another general election. I think we can draw on the experience of the disciples and recognise the responsibility that we have as citizens of the United Kingdom. It is important that we each exercise our democratic right and vote.

If you are a praying type, do pray for all the candidates in the run up to the election and for all those who are elected as constituency MPs that they may be women and men of integrity.

**ENTENTE CORDIALE:** St Mary's recently visited our twin parish in Douai, northern France, and shared in worship together (more details on page 3)

The bible encourages us to pray as we elect leaders and for their ongoing support. In his first letter to Timothy, Paul says - 'I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for everyone - for kings and all those in authority'. So, praying for all those who are elected, from whichever shade of political opinion they come, should be our initial response.

People throughout the world die fighting for democracy and their opportunity to have a say. We owe it to them and to previous generations to ensure our voice is heard. I urge you to think carefully about the candidate you vote for, the issues they are standing for and how they affect the whole community.

Although Jesus never had the opportunity to make his mark at the ballot box, he did speak about engaging with the instruments of government. Matthew's gospel tells us how a group of religious leaders tried to trap Jesus into declaring himself as either a rebel or collaborator by asking him a question about paying tax. Jesus' response - 'give to Caesar what is Caesar's and to God what is God's' - was on one level about the payment of that tax.

It also speaks about our duty as citizens to be involved with our government and its leaders: elections, local or national, give us the opportunity to do just that.

### At Rest

We extend our sympathy to those who loved:

Audrey Truelove 24 Apr aged 88

## Remembering

### Audrey Truelove

Audrey was born and brought up in Swansea. After school she had various jobs including working in Harrods and back in Swansea in the finance office of the local bus company.

Audrey and her family were members of the Chapel: when Desmond Truelove returned from the Army he found that a 'village' girl had joined the congregation while he had been away. That was the beginning of an association which led to 65 and a half years of marriage.

Audrey's faith was of paramount importance to her. She went from being Chapel to a preference for high church.

Whichever church Audrey attended she participated fully – Deanery Synod, Mothers Union, Young Wives, the choir... She knew exactly how church should be run – and made sure various vicars knew too! She was never afraid to speak out about something if she knew she was right, and would always help if she could. At St Mary's she was the first female sidesperson – a ground breaker.

In her youth Audrey played the cello, later she enjoyed knitting and crochet as well as singing and good clothes. She was very proud of her appearance, with which she took great pains – and of doing what was right.

Audrey was very proud of her granddaughters: she had always wanted a sister and was delighted when Richard and Carole gave her two granddaughters – they had a lovely relationship.

The last few years of Audrey's life were difficult as dementia took hold – but there are many who have good, fond and funny memories of Audrey for which they are thankful.

### Serving Shortlands

The Shortlands Residents' Association (SRA) Annual General Meeting was held at St. Mary's Church Hall on 26 April. Over 100 residents listened to the Chairman of the Association, Mark Dempsey, highlight the areas of concern that the Association had dealt with over the past year, and Mike Ricketts, who gave details of this year's annual guided walks and visits, details of which can be found on the SRA website ([www.shortlandsresidents.org.uk](http://www.shortlandsresidents.org.uk)).

After the official business and elections were over, Victoria Miller gave a presentation on the Parking and Street Cleaning Survey undertaken by the SRA at the end of last year. A number of issues were raised, including poor parking, parking by commuters and the inability to keep roads clean due to parking. Cllr Colin Smith, the Portfolio Holder for Environment at Bromley Council responded. These issues remain of most concern for residents, along with planning applications.

Before the evening concluded with refreshments and a time to socialise, there were a number of questions from the floor including several about the state of progress of works to the War Memorial. Cllr David Jefferys stated that Listed Building Consent had been granted and the work would be completed, with rededication taking place in time for Remembrance Sunday in November.

### God's healing touch

'Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.' (Philippians 4:6)

During his earthly ministry, Jesus said many prayers for healing. None of us has authority to heal a body, only our Creator does and that's why we always pray in Jesus's name.

At St Mary's we believe that Prayer has healing power, healing not just for the body but the mind and spirit also.

On the third Sunday of each month we offer healing prayer for those who wish to receive it. While communion is being given, usually two trained members of the team will stand at the back of church, screened to offer privacy, and will pray with and for you or whoever you wish to bring for prayer.

Names do not have to be given and any concern can be prayed for. Usually this will last no longer than a few minutes. Those offering the prayers will then continue to pray for you during the coming week.

Do you or someone you know need God's healing touch? Do you wish to say a prayer for a sick friend or family member? Then please feel confident that you can bring your prayers to us in total confidence.

## 'Jumelage'

30 parishioners from St Mary's travelled to Douai at the end of April, where they were given a warm welcome by members of our twin Parish of St Francis of Assisi.

On the Saturday afternoon everyone visited the Belfry at Douai Town Hall, a Unesco World Heritage site dating from 1380, and housing a peal of 62 bells. Even the older and less mobile members of our group managed the 200 stone steps spiral staircase right up to the top of the tower!

Then we visited the Collégiale St Pierre, a newly restored basilica with a fascinating history of French and English involvement over the centuries.

The evening was spent with host families where we enjoyed the traditional home hospitality, and prayers were prepared for mass the following day.

On the Sunday morning everyone gathered at Sainte Thérèse church for a great ecumenical mass where Reverends Morag and Richard were welcomed by the Catholic priests and shared in the distribution of communion to French and English parishioners.

Afterwards we went to the Lycée Wagnonville, a nearby agricultural college, for a magnificent buffet lunch, followed by a quick tour of its medieval garden before saying many fond goodbyes and promising to meet again in Shortlands in 2018.

It was lovely to see how throughout the weekend the young people both English and French looked after and helped the older members of both parishes - a real example of international friendship and caring for other people. The 'Jumelage' is now in its 22nd year, and is going from strength to strength.

## Pentecost – 4 June

Ten days after Ascension Day comes Pentecost: that is fifty days after Easter as its name, from the Greek, implies. This festival celebrates the gift of the Holy Spirit to the apostles and other disciples of Jesus, transforming them from frightened and confused people to men who would face martyrdom for what they believed. We are told in the bible that it marks the birthday of the church.

Pentecost already existed in Judaism, in which it commemorates the giving of the Ten Commandments to Moses on Mount Sinai.

Pentecost is probably better known as Whitsun - or 'White Sunday'. It is believed that this is because – following St Peter's example - it was a day for baptisms, and those being baptised would wear white. Alternatively, it may derive from the Anglo-Saxon word 'wit', which we still use for verbal cleverness but which meant 'understanding': Pentecost was when God poured out the wisdom of the Spirit.

The first Pentecost was clearly an extraordinary event. The Bible tells us that there was a violent wind – symbolic of the Spirit of God as described by Ezekiel. There were also tongues of fire which rested on each disciple, mirroring Jesus' words that both He and they were the light of the world and showing that they would do what Jesus did. The disciples spoke in languages which were not their own and everyone could understand each other. This links back to the story of when those building the Tower of Babel could not understand each other; now all was reversed.

In England there are several customs associated with Pentecost. There are many Whit Walks and the traditional "Procession of Witness" has long been celebrated throughout the North West.

In Randwick, Gloucestershire, after rolling three double Gloucester cheeses around the church, one is cut up and shared amongst bystanders and the other two are rolled down a steep hill.

And in Stilton, Cambridgeshire, teams of four, in bizarre costumes, roll stilton cheese along a 50-yard course. They must not kick or throw the cheeses. The prize is a whole Stilton Cheese, which weighs about 16 pounds, and bottles of port - the traditional accompaniment.

## Mission of the month

### St Christopher's Hospice

Dame Cicely Saunders founded St Christopher's Hospice in 1967 and in doing so made an extraordinary contribution to alleviating human suffering. The hospice has been a centre of education, innovation and insight ever since. The St Christopher's Group now consists of the site in Sydenham and the Caritas Centre in Orpington.

Led by Dame Cicely, St Christopher's holistic approach which cares for a patient's physical, spiritual and psychological wellbeing, marked a new beginning, not only for the care of the dying but for the practice of medicine as a whole. Today its vision is of a world in which all dying people and those close to them have access to the care and support they need, when and wherever they need it.

Every year St Christopher's provides care and support to over 6,000 people across South East London, both at home and in the hospice. It costs £20million a year to run its services, £14million of which has to be found by fundraising.

This year St Christopher's is holding many special events to celebrate its 50th Anniversary including a fun walk and tea at Lambeth Palace.

For more information see [www.stchristophers.org.uk](http://www.stchristophers.org.uk) and the display at the back of the church.
