

Christmas Lights by Reverend Jane Peters

As we finish 2012 with all its celebrations and razzmatazz we look back with varied feelings. For some 2012 has been good. For many of us it has been a roller coaster and we won't be sorry to see it go.

Looking forward to Christmas and celebrating the birth of the Christ-child, I was thinking about the names by which we know our God and Saviour. Many of us have nicknames or pet names within the family and Jesus was no exception.

Jesus was often called The Light of the World, and talking to Jesus in prayer can often lighten the burdens we are carrying, helping us to see our situation more clearly.

One of my favourite names for Jesus is The Morning Star. There is that strange phenomenon which occurs just before the dawn when the

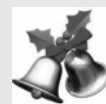

darkness of the night appears to deepen. It is at that moment that the Evening Star appears in the East and the darkness is dispelled. Certainly in my own life there have been times when the world has seemed particularly dark, and it's been my experience of knowing Jesus which has given me hope.

For those of you for whom 2012 has been difficult, it is my prayer that you will find for yourselves that Jesus brings light and peace into your lives, gives you hope for the future and walks with you through life.

For those of you for whom 2012 has been good, may you know that God delights in the good times as well as accompanying you in the dark and may 2013 be a year when your relationship with God deepens.

Did you know? - Shortlands Residents' Association

The SRA was founded in 1934 in response to local residents' concerns regarding the number of school places which did not meet the increased demand created by the many families moving to the area.

The SRA is a non-political association promoting the interests of Shortlands and responding to issues that arise. We work with local organisations and the London Borough of Bromley to ensure that we are an effective voice for our residents.

We exist to ensure that Shortlands retains the atmosphere and attractions that made you settle here in the first place! We cover issues including controversial development projects, resolving parking and traffic problems, and ensuring that our footpaths and roads are well maintained. We are involved in preserving and improving local green spaces and produce a quarterly newsletter. Recently we have run quiz nights, supported our local schools and the church, organised very informative local history walks, and placed banners at our boundaries to put Shortlands on the map!

If you would like to become a member, or require more information please contact our Membership Secretary on 0208 460 6030 or email annmarie.jefferys@btinternet.com. We look forward to hearing from you!

SPAN THANKS

We record our thanks this month for gifts amounting to £18.37.

Heating Appeal Successfully Concludes

The appeal which we opened in February to pay for a new heating system for the church, church house and hall concluded at the end of October, having raised nearly £47,000. This sum has enabled us to pay for a new boiler and reconditioned radiators that will take care of our heating needs for the foreseeable future.

We are most grateful to the many of you who have given so much, and so often, to the appeal, and hope you enjoy being warm in church during the coming months.

Remembrance Day

Photograph: Tony Chase

A large congregation attended the Remembrance Sunday service on November 11th and many more joined them at the War Memorial for the Act of Remembrance.

Wreaths were laid on behalf of the Church, the Mayor of Bromley, Shortlands Residents' Association, Highfield Infants' and Junior Schools and the many youth organisations of St. Mary's. In addition this year wreaths were laid on behalf of the Royal Marine Association Trustees in memory of those Royal Marines killed in action, and by a serving officer, 2 Lt. Christopher Yapp, on behalf of A Squadron, The Queen's Royal Lancers and all military personnel currently deployed in Afghanistan.

St. Mary's Visit Krakow

Photograph: Tony Chase

A group of 39 people from Shortlands - members of St. Mary's congregation and friends - enjoyed a 3-night break in Krakow in October. Rejoined by Canon Paul Miller for the weekend, the party enjoyed walking tours around the city's old town and Jewish Quarter, and a visit to the nearby Salt Mines.

The guided tours of Auschwitz and Birkenau concentration camps will stay long in the memory. 'It is the immense scale and bleakness of Birkenau that I will remember' said Tim Dawson. 'Standing in the middle of the railway tracks, it was possible to imagine the camp as it was at the time, with new arrivals being 'selected' for work, or to go straight to the gas chamber.'

Coreen Corbin said 'it left me speechless. It was both moving and thought-provoking. Having seen the huge display of shoes of all those who died, it made me feel I never want to see another pair of shoes again.'

At the Salt Mines, the group saw immense chambers, carved out of the rock salt and decorated with sculptures by the miners, who took great pride in their work. Scenes included the nativity and the Last Supper. Our tour guide encouraged the group to lick the rock to see for themselves the purity of salt in the mine.

Marion Westropp said 'as well as Auschwitz, I shall remember Krakow's beautiful main square, the largest of any medieval city in Europe.'

At an early morning service before leaving for the airport, Canon Paul spoke about finding an approach to life which both 'stretches and sustains' us. Our weekend in Krakow certainly did that: while we were sustained by good fellowship together, the harrowing images of Auschwitz-Birkenau stretched and challenged us all and will stay with us forever.

Facebook Connection

Are you aged between 18 and 25? Would you like to stay in contact with friends and contacts from Shortlands - particularly if you or they are moving away to go to college or get a job?

To support local young people to stay in touch, St. Mary's, Shortlands is considering setting up a Facebook group. What happens next is up to group members, but they could use it to keep up with what's going on in

the area, to let people know when they're back and available to meet up, or to meet up 'virtually'.

If you're interested in joining such a group, please email office@stmaryshortlands.plus.com and we'll be in touch - if there's enough interest, we'll set up the group. Please pass this on to any young people you know who have moved away but may be interested in staying in touch.

Dear St. Mary's

Thank you for all the support and prayers, lovely cards and messages during my recent major operation. I cannot begin to tell you how much it has helped me to make progress, and keep me going.

It is around 50 years since I first attended St. Mary's, Shortlands and it has been my spiritual home in all those years, helping to strengthen my faith through the ups and downs of life, which we all go through. Sometimes it is hard to put our trust in God completely when we feel worried and anxious, but I can honestly say that he helped me every step of the way.

Mission of the Month

The Children's Society

The Children's Society is a leading national children's charity committed to making childhood better for all children in the UK.

Its mission and vision is to see a world where every child enjoys a good childhood. Its values are Love, Justice and Forgiveness. It provides vital help for tens of thousands of children every year. The Children's Society provides specialist support at a local level for those forgotten children who face the greatest danger and disadvantages in their daily lives; and for children who are unable to find the support they need anywhere else. Its work in children's centres, schools, and churches, gives children the chance to develop the skills and confidence they need to make the most of their childhood and play a full part in their local communities.

Its thought-provoking research influences everyone – from people like the general public to politicians and decision makers – about how to create real change. Its hard-hitting campaigns attract large public support and make institutions, government bodies and authorities take action to make childhood better for all children.

You are warmly invited to attend our Christingle service in St. Mary's on Sunday, 16 December at 5.30pm, which will highlight our financial support for the Children's Society this year. There will be a display on the Missions notice board during December and further information can be found at www.childrensociety.org.uk

Dancers turn up the heat!

The Langley School of Dance held a Choreographic Competition on Saturday 27th October in the church hall, raising £150 for the church heating appeal.

Pupils made up their own dances, either classical ballet, tap, modern or street jazz, and could perform solo, as a duet or in groups. An audience of 40 people enjoyed the show, and the judging panel picked 2 winning dances and 2 runners up.

Leanne Coverley of the Dance School said 'I'm hoping to make this a yearly event, the children enjoyed it so much.'

Pictured above are all of the children who participated, with their certificates.

Looking forward to Spring

Mowgli cubs recently enjoyed a visit from Jane Wiseman of Coolings Garden Centre. Jane helped the boys to plant bulbs which are being taken to a local home for elderly people this Christmas.

The boys enjoyed getting involved, and asked Jane many questions as they are keen to develop their green fingers for the future!
