

# Lost and found

At the end of January we had a visitor in the parish office - a very friendly cat. It had spent time greeting the children as they arrived for pre-school and then found a warm radiator in the office. Perhaps it had read last month's article about our office team! We were concerned as no one recognised it as one of the local cats, but it was obviously well looked after. A bit of detective work resulted in his being returned home.

Many of us have experienced times in our lives when we feel we have wandered too far from home and feel lost. Sometimes this may mean small changes to our lifestyle in order to return home. For others a much more dramatic change is needed.

You may have sung the hymn 'Amazing Grace'. This tells something of the author's journey from a young man involved in the slave trade to a Christian minister who spoke out about the wrongs of slavery. We hear of the realisation that he had not been living well and that the grace of God would allow him to be brought back into the fold. The hymn moves from confession to an acceptance of faith and continues by considering the goodness still to come.

I think this shows us that, whatever we have done in our lives, forgiveness and redemption are possible and that we can all build a new relationship with God.

Some people are uncertain about attending church as they feel it will be full of 'good' people whereas it is full of people who have struggled or continue to struggle with all sorts of sins. Being a Christian doesn't mean that we are perfect but does mean that we recognise our shortcomings, try and turn away from them and to be Christ-like.

Perhaps Lent is a good time to come to church, whether for the first time or returning after an absence, to find out about God's love and join us as we mark this penitential season before the celebration of Easter.

### Annual Parochial Church Meeting

Come along to the Annual Parochial Church Meeting in church on Sunday 19 March after the 10.30am service to find out more about what has happened at St. Mary's over the last year - and our plans for the next year.

Papers for the meeting will be published on the website at least a week in advance:  
[www.stmarysshortlands.org.uk](http://www.stmarysshortlands.org.uk)

### My day job

As a recent newcomer, and perhaps only known as Robin Hogg's other half, here are a few words about my life when not warbling in the chancel.

I always wanted to be a lawyer, but took a circuitous route to qualifying. That is no bad thing, as it gives a broad experience. My first 'proper' job was for a computer software company. I also worked as a legal secretary for a legal aid firm in west London. I undertook a lot of fee earning work, principally in family law, supporting lawyers working in domestic violence and Children Act cases. Some of the cases were distressing but it was rewarding to be able to help people improve their circumstances.

I was motivated to study for my law degree, which I completed in my 'spare time' over three years. I was a trainee at a firm which did mostly commercial work - a complete change from my previous experience!

Since qualifying, I have specialised in property work. Having worked in firms where hands-on practice was encouraged, I have been involved in a broad range of interesting and unusual cases, although I now principally deal with residential conveyancing. The emphasis has always been on finding solutions, achieving a successful outcome. It is a particular pleasure when that involves helping clients to find their first home together.

Recently, I have been working locally as a locum. It is challenging, as you have to step in at short notice. You get to grips with a lot of information very quickly.

Robin and I share a love of singing, but I am happy being creative in other ways too. It has been a great pleasure recently to become involved with the flower arranging team, who have made me very welcome!

### Trip to Douai - everyone welcome!

Members of St Mary's will be visiting our twin Parish of St Francis of Assisi in Douai from 29 - 30 April, and you are invited to join them!

We will travel by coach via the Shuttle, and visit the Musée de la Chartreuse in Douai and the beautiful basilica Collégiale Saint-Pierre whose facade has recently been completely restored.

There will be home hospitality with French families overnight, and dinner in groups with French and English speakers. We will worship together at Sunday morning mass, then enjoy celebratory lunch together prior to the coach ride home, arriving back in Shortlands around 8pm.

You don't have to be able to speak French to have a really great time! For more details, contact Gill Dawson on 8460-5884 or [gill@gill.dawson.name](mailto:gill@gill.dawson.name)

### Up, up and away!

Three members of 2nd Shortlands (Friday) Guides have been selected for international trips where they will be representing Girlguiding UK in other countries.

Young Leader Aleks Nowacka is off to Mexico in August with a group from London and South East England Region. They will be carrying out a service project with VAMOS, a Mexican charity which helps children and families living in poverty, and staying at "Our Cabaña", one of the 4 World Guide Centres.

Eleanor Higgs, now an Adult Leader, will be flying to Iceland to attend the 15th World Scout Moot along with 5,000 other young adults between the ages of 18 and 25.

Guide Nancy Orakwe is currently waiting to find out which country she will be visiting. Between them they have to raise over £5,500, so they need your help!

On Mothering Sunday 26 March they will be organising a Cake Sale in the Church Hall after the Parade Service, and invite you to come and buy delicious home-made cakes. They are also looking for other fundraising opportunities, such as babysitting and car washing. If you need a job doing, please contact Gill Dawson: 07767 365318 or [gill@gill.dawson.name](mailto:gill@gill.dawson.name).

### Christians Together

During the Week of Prayer for Christian Unity we are encouraged to spend time worshipping with Christians of other denominations from our local area.

This year Churches Together in Beckenham organised a variety of weekday services ranging from 'café church' to a Taizé service.

Eleven churches took part in a pulpit swap on Sunday 22nd January. St Mary's welcomed Rev Neil Draisey from Beckenham Baptist Church and Rev Richard represented us by preaching at Beckenham Baptist Church.

### The Friends of St Mary's

The Friends of St. Mary's (FoSM) is a registered charity, set up to raise funds to support the church. It does so by way of annual subscriptions from members of the current congregation and from people who have moved away and by organising events.

The Friends play a very active part in the life of our church and throughout the year we arrange events to raise money and bring people together. We consider the social side of our events to be as important as raising money.

Our most recent event was a 'A Grand Race Night' and our next is 'An Old Time Music Hall' on 18 March, which I am particularly looking forward to - it is sure to be a really fun evening. So why not consider joining us, you would be very welcome and it is a great way to make friends!

The weekend of 18 and 19 March is a busy weekend for FoSM, as we have our Annual General Meeting on the Sunday afternoon immediately before Choral Evensong at 6.30pm. At this service we will present the Paul Baker Young Chorister Award - named after a past Chair and President of FoSM, who had also served in the Choir and as a Lay Reader.

*Robin Hogg (President of FoSM)*

# Mission of the month

## JusB

JusB youth centre was started in 2003 by the family worker from St Mary's Church, College Road who met young people in Bromley who had nowhere to go, were not particularly interested in church yet needed support. They wanted somewhere to "jusb themselves".

JusB was born and moved into College Road in 2005. Since then it has worked with thousands of young people giving them support and providing activities. Its mission is 'to serve young people by accompanying them through thick and thin on their journey to independence'.

JusB helps young people aged 10 - 23 during both term time and school holidays. This work includes advice and guidance to help them find a job or stay on in education. There is also a homework club and projects to help develop new skills like urban music, craft, cookery and video animation. Young people are encouraged to support each other and be good ambassadors in their community.

There are lots of ways to help from collecting old stamps, to a regular standing order or volunteering. For more information, visit [www.jusb.co.uk](http://www.jusb.co.uk), see the board at the back of church, call 020 8464 2722 or visit during its next Open House: 20 March 3.30-7pm

## Cleanliness is next to .....

Have you ever wondered who keeps the church so clean and tidy? Well, a team of dedicated volunteers clean it on a regular basis, coming in one morning a week to sweep, vacuum, dust, polish and generally make sure that the church is welcoming to all who come through the doors.

This is done on a rota basis so the more people we have volunteering the less often you are called upon to help. The opportunity is open to anyone of any age.

If you would like to help wield a duster, push the vacuum cleaner around or help in any way please contact the Parish Office.

## Combating poverty and hunger

Bromley Borough Foodbank (BBF) wishes to thank supporters at St Mary's Shortlands for their support both financially and in food donations during 2016. Foodbank have also appreciated all the extra volunteers who have helped at various events during the year.

This year saw the introduction of a collection for financial donations outside Cannon Street Station in addition to regular Summer and Christmas food collections outside the larger Tesco stores. Local supermarkets also have donation boxes throughout the year. Church collections continue to play a large part in the donation of food and toiletries as well as providing the backbone of support workers and street collection volunteers.

Last November, Bromley Borough Foodbank was relaunched as a Charitable Incorporated Organisation. From its inception six years ago as an arm of the Oak Community Church in Orpington, BBF has grown to six centres across the borough, so it was vital to sustain the work by becoming an autonomous charity.

BBF provides three days' nutritionally balanced emergency food, advice and support to local people who are referred to them in crisis. It's part of a nationwide network of foodbanks, supported by The Trussell Trust, working to combat poverty and hunger across the UK.

Donations of toiletries, nappies and household goods are particularly requested.

Please continue to leave your donations in the church porch. As ever, our grateful thanks to all those who give.

## Mothering Sunday – 26 March

Mothering Sunday always falls on the fourth Sunday in Lent. Once observed as a day on which people would visit their "mother" church, it has become an occasion for honouring the mothers of children and giving them presents.

During the sixteenth century people returned to their mother church, either the main church of the area or the church where they were baptised. Anyone who did this was commonly said to have gone "a-mothering". In later times, Mothering Sunday became a day when domestic servants were given a day off to visit their mother church, usually with their own mothers and other family members. It was often the only time that whole families could gather together.

Children and young people who were 'in service' (as household servants) were given a day off on that date so they could visit their families. The children would pick wild flowers along the way to place in the church or give to their mothers.

In the USA in the early twentieth century, a movement started campaigning for an official day to honour mothers. In 1914 President Woodrow Wilson officially set Mothers' Day on the second Sunday in May. Mothers' Day is celebrated around the world at different times of year, from the second Sunday in February in Norway to 22nd December in Indonesia.

Eventually, the religious tradition evolved into the Mothering Sunday secular tradition of giving gifts to mothers.

In some churches in Lent one additional candle is added each week to those burning in church. These are purple to mirror the liturgical colour of Lent. But on the fourth Sunday it is pink (rose) to recognise Mothering Sunday.

At St Mary's, Mothering Sunday is celebrated by posies being distributed at the 10.30 service, for children to give to their mothers.
